Toutful advertising gives the public confidence—confidence in the merchandise and the concern that sells it.

Persistent advertising gains friends for a lifetime. It proves that the advertiser has the right merchandise at the right price.

Well Advertised Merchandise Is Superior In Every Way

Good advertising not only makes new customers, but encourages old customers to buy more.

Quality, persistently advertised, creates a desire that only persistent salesmen can satisfy.

THE ONLY WAY TO GET BUSINESS IS TO GO AFTER IT BY ADVERTISING. GETTING BUSINESS BY ADVERTISING IS EASY, CHEAP, AND SURE.

The price of the Canadian dollar in relation to the U.S. dollar is now a factor of currency in Canada.

M. A. See has sold his dry business in Delta to Roy Oakes, who in future will carry on and give the same excellent service as his predecessor.

US Agricultural Secretary Benson said that since Washington has embarked on agricultural surplus dumping programme in fall of 1954, US has signed agreements to sell \$1,354,400,000 of farm commodities for foreign currencies. Since Mr. Benson admitted that the commodities cost US taxpayers \$2,045,200,000, this means that, apart from accepting payment in foreign currencies, US has subsidized its agricultural exports in period under discussion to tune of \$691 million.

Mr. Howe has enough trade problems—far more important than he will encounter in Tokyo, to keep him busy in Washington for weeks to come.

Trade problems seriously affecting US exports to Canada are not the result of proposal for closed British-western European trade bloc.

US National Commission on the Soviet Union, enslaved colonial "satellite" empire cannot yet be said to have reached stage where policy of Kremlin's sphere of influence is imminent. Plain truth is, as reports from Warsaw and Moscow indicate, Soviet capital industry, Moscow will resort to ruthless military coercion to quell incipient insurrections behind Iron Curtain.

Issue in Poland and other Eastern European countries is not so much to quell incipient insurrections behind Iron Curtain, as to quell incipient insurrections behind Iron Curtain.
